

Kaumataua Kaunihera o Ngaruahine

Pam Wharepapa has been nominated Treasurer of the Kaumatua Kaunihera. Nga mihi kia koe Pam

Maintenance of Marae

Lionel Morehu has offered his services to the marae and has carried out maintenance work around the place. He is doing a great job. Ngā mihi kia koe Lionel.

Marae Development

Faye Hohaia is in charge of this development project on behalf of the marae trustees. She will be calling on the hapū at some stage to be involved in discussions. Watch this space.

Inaha Trust / Nigel Nuku

The Inaha Trust AGM will be held at Te Aroha Marae on the 15 December 2012 at 10.00am. All welcome. The agenda is still to be confirmed.

Marae Trustees Court Hearing 18th October

As you are all aware the marae once again was in the courts. At the time of the hapū hui the minutes were not available.

Final Hapu hui for the year

Sunday 2nd December 2012 10.am at Te Aroha Marae

Looking Ahead

Strategic Planning Hui

A two day hui is being called by the Hapu executive to look at a way forward with the Marae Trustees, Hapu, Inaha Trust and other groupings within Ngati Manuhiakai that have a vested interest in hapu affairs.

This is being planned for the 15 and 16th December, 2012.

The programme is as follows:

10.00am Inaha Trust AGM

12.00pm Kai

1.00pm Wananga begins

Kaupapa:

Looking into the future

This will be advertised in the Taranaki Daily News and Hawera Star.

Facilitator: Nigel Nuku

Scribe: Nanci lee Katene

50 year celebration 17th March, 1963

Next year the marae celebrates it's
50th birthday. Faye Hohaia will
oversee this project. Suggestions
have been put forward. Discussions
will take place during the hapū hui
and at the Marae Trustees level. If
you have any ideas contact Faye or
put your ideas forward at the hui.
Nothing has been confirmed at this
stage but we will keep everyone
informed as things begin to unfold.
This event will never come again. So
lets get on board with Faye and

Postings on Facebook

The hapū have moved that the minutes of
the hapū hui not go up on face book.
The reason for this is the minutes have
not gone through the stage for
corrections and amendments. In place
of the minutes we will post up a newsletter
instead. While we agree Facebook is a
place where we can keep our families
informed we would like to ensure the
integrity of Ngati Manuhiakai and the
safety and respect of whānau who may
bring issues to the table. The process is
simple.

The hapū will decide at the hapū hui what
we can put in the newsletter. This will be
passed at each hui. Once this has been
drafted it will be sent to the Chairperson
for final edit. Then posted up by
Ngapera.

Facebook Administrators

The current administrators are Georgina
Wharepapa and Ngapera Moeahu. It
was moved and supported by the hapū in
attendance at the hui to add Melisha
Nuku. Nau mai haere mai.

On that note the hapū have sung
accolades to Georgina for keeping the
hapū members up to date and we thank
Georgina for the awesome job she is
doing.

The secretary of the hapu will post up
dates of meetings, cancellations for the
hapu hui so there is no confusion.

Relationship with STOSH /Nigel Nuku

Nigel's role as hapū representative is to
oversee any digging that's done
whenever they start drilling at the
beginning and to be there with the site
manager. Sue, Nigel, Phil and Steve
will participate in a training course that
is a requirement of STOSH on Thursday
8th November at Kapuni.

Fracking / Drilling

There are concerns that STOSH did not
reveal that minuet radio active quantities
reported in the paper. This is a concern
to us because it does not dissolve.
Where does it go to? Nigel to keep us
informed and keep us updated.

A village has been built in the area for
staff. They have made a request to the
hapū for karakia to be done at the site.
Phil will organise a small group of
representatives to attend on behalf of
the hapū.
