*“Kaaore e pau, he ika uunahi nui”  
“They cannot be conquered, they are like fish with great, thick scales”*

Whakapapa - Matrix Security Group is a 100% New Zealand owned company that delivers professional security services to residential and commercial customers. We offer fully integrated security services, this includes consultancy, installation and servicing of electronic security systems, alarm monitoring, mobile patrols and static guarding. We operate our own 24 hour Call Centre to ensure prompt response to alarm activations and customer enquiries.

Mahi - Matrix Security is proud to be the chosen service provider to many indigenous organisations and health providers.

Below are a few examples of community organisations that Matrix Security currently supports:

- Hoani Waititi Marae
- Maori Health Unit (Lincoln Road, Auckland)
- Pohutukawa Coast Sea Rescue Trust (Maraetai Beach)
- Child & Family Waitemata Health
- Mangere Health Centre
- Tamaki Family Health Centre
- West Coast District Health Board (Buller Hospital)
- Avondale Baptist Church
- BreastScreen Auckland

- Mangere Schools Association – This group of decile one schools formed an alliance designed to reduce the number of ongoing problems in their area. By working exclusively with Matrix Security they enjoy greater purchasing power, a platform from which to share information and the high quality service of a professional security company. All this combined has led to a reduction in on site issues and lower costs for the schools.

## Taranaki - Regional Security Services

Matrix Security's New Plymouth operation provides security solutions to a number of companies within the greater Taranaki region, specifically within the oil & gas and aviation sectors.

**Are you looking for a new career?  
What about joining a company which:**

- has a culturally diverse workforce
- ensures value underpins everything we do
- has contracts in place with industries ensuring sustained economic benefit in the Taranaki region
- ensures all employees enjoy visible support from managers and supervisors
