Tēnā koutou katoa

Ko Ngāruahine Rangi te iwi
Ko Ngāti Manuhiakai te hapū
Ko Kiri Erb ahau

I'm an active whānau member for our marae and hapū and privileged to sit as a member, and secretary, of the Executive Committee for Ngāti Manuhiakai. I'm also a trustee of Rangiamaia Urupa Māori Reservation, following in the footsteps of Kui Taumairangi Te Whatumarara.

My husband and I ran a successful contracting business in this rohe for 14 years and for the past three years I worked for Te Korowai o Ngāruahine Trust, as Executive Assistant to the General Manager. My role included providing support to the Te Korowai Board.

In February I returned to self-employment and operating my own business and am now pursuing my dream to take on an active role in iwi leadership for the benefit of our people of Ngati Manuhiakai and Ngāruahine Iwi.

I have worked hard with and for our people over the years and have listened, learned and contributed. I believe that it is now time for me to stand and help make a difference at the governance level for the benefit of our people. My many roles and mahi within our community have offered vast experience and insight into kaupapa important to our people and at the governance table. If elected to represent Ngāti Manuhiakai I can hit the ground running and truly speak to the issues that are at the heart of your concerns.

We are a passionate and bold hapū/iwi. The dreams and aspirations of our old people will continue to inspire us and the generations to come. I'm committed to ensuring that the voice of Ngāti Manuhiakai is heard and shapes decision making at the governance table so that our aspirations as hapū and iwi are realised.

Nine brothers and sisters, proud mother of four grown accomplished tamariki, blessed with eight beautiful mokopuna and married to a hardworking man Gary.

For the past two years I have been your representative on Te Korowai O Ngaruahine and the experience has been invaluable. The most valuable lesson learnt has been the privilege and opportunity to sit beside my whanaunga Wendy Eynon as my tuakana. Her guidance and knowledge has been immeasurable.

Once again I am seeking your vote to enable me to stand and be your representative and your voice on Te Korowai O Ngaruahine Trust.

I believe in informing and encouraging our people of Ngāti Manuhiakai on issues and matters that pertain to them and therefore, through my representation as the Hapū delegate, communication will be of the utmost importance. That is; through consultation and informed decisions mandated by the people.

I believe nurturing and supporting uri and whānau with education opportunities e.g. scholarships, grants, and career pathways into employment, as well as promoting a healthy environment that includes housing, whanau ora and health services that are essential today. A whakatauki I love and will keep me grounded is.

Tangata I Akona ki te kāinga tūnga ki te marae, tau ana

(A person trained at home will stand on the marae with dignity)

Admittedly I do not know everything, but I bring with me the visions and beliefs inherent of my tūpuna and that is what I offer.
